Shepherdia Argentea (Buffalo Berry)

	Each
18/24"	.20
2/3'	.25
3/4'	.35

Rhus Trilobata, Dwarf Sumac  
This is one shrub that I think will become very popular as more stock is produced. Grows native west of the Missouri River in our state. It resembles Alpine Currant a good deal in habit of growth.

1000
